

Real Estate Consulting Services and Due Diligence Services

Today, the due diligence process is more important than ever in the Real Estate Market. Managing and assessing risk are of the utmost importance to protect lenders, shareholders, and investors. InterWeave Architects provides outstanding information and opinions and exceptional value throughout this process.

Our experience includes over 10 million square feet of Property Condition Assessments and over \$800 million in New Construction projects, all over the country. Let us put this experience to work for you.

Provided Document and Cost Reviews, and New Construction Monitoring for this new five million dollar hotel, restaurant, and retail space.

InterWeave Architects offers the following services for Lenders, Investors, Property Managers, and Building and Business Owners:

Real Estate Due Diligence Services

- Property Condition Assessments
- New Construction Services
 - » Document Reviews
 - » Cost Reviews
 - » Construction Monitoring

Other Consulting Services

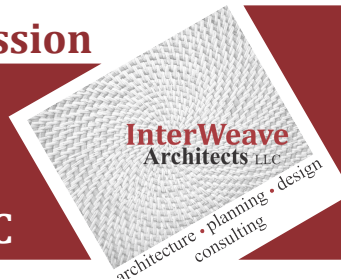

- Reserve and Transition Studies
- Cost to Complete Studies
